Speaker 1

00:00:01,500 – 00:00:05,200

Hello, my name is John Smith. How are you today?

This figure shows a waveform visualization for Speaker 1. The waveform is a red line graph representing the amplitude of the speech signal over time. The time range is from 00:00:01,500 to 00:00:05,200. The text of the speech is "Hello, my name is John Smith. How are you today?".

Speaker 2

00:00:06,000 – 00:00:09,800

I'm doing well, thank you. Let's discuss the agenda.
